MEMORANDUM FOR: [REDACTED]  
Executive Secretary, Office of the DCI

FROM : [REDACTED]  
Chairman, Intelligence Information Handling Committee

THROUGH : Deputy to the DCI for the Intelligence Community

SUBJECT : CIA and NPIC COINS Files

REFERENCE : Ltr dtd May 4, 1976 from Deputy Secretary of Defense  
(Robert Ellsworth) to Mr. Bush (U)

1. Reference letter solicits DCI assistance to ensure that the files made available by the several community agencies to be used on the Community On-Line Intelligence System (COINS) are timely and responsive.

2. Upon investigation of the current status of CIA and NPIC files, I find that both the CIA and the NPIC COINS Subsystem managers are fully familiar with this request and agree with it. They are taking appropriate action and have so notified the COINS Project Manager.

3. The CIA COINS Subsystem Manager feels strongly that a written reply to Mr. Ellsworth was not sought and is unnecessary. Since this matter involves CIA action, I defer to his view.

4. This memorandum will suffice to close your file on this matter. Please note that I am forwarding it through the IC Staff front office and requesting approval, as shown below.
